

**Smoke Gets In Your Eyes (ver. 2), performed by The Platters**

**C** **Dm**

They asked me how I knew,

**G7** **C** **C+** **F**

my true love was true.

**Cdim** **Cmaj7**

I of course replied,

**Am** **Dm** **G7** **C** **G7**

?Something here inside cannot be denied?.

**C** **Dm**

They said someday you?ll find,

**G7** **C** **C+** **F**

All who love are blind.

**Cdim** **Cmaj7**

When your heart?s on fire.

**Am** **Dm** **G7** **C**

You must realize, smoke gets in your eyes.

Key change for middle eight.

**Ab** **Abmaj7**

So I chaffed them and I gaily laughed.

**Ab7** **Eb7** **Ebdim** **Eb7**

To think they could doubt my love

**Ab** **Fm7** **G7**

Yet today my love has flown away.

**C** **G7**

I am without my love.

**C** **Dm**

Now laughing friends deride,

**G7** **C** **C+** **F**

Tears I cannot hide.

**Cdim** **Cmaj7**

So I smile and say,

**Am** **Dm**

When a lovely flame dies

**G7** **C**

Smoke gets in your eyes

**Dm** **C**

Smoke gets in your eyes

**Dm** **C**

Smoke gets in your eyes

**Dm** **Fm** **C**

Smoke gets in your eyes
