B	
You had me strugglin' wonderin' from the first look	Whoa (x5)
E	sparks are gonna fly
Gave me a week-end smile and that was all it took	Whoa (x6)
B F#	
to light a fire... inside of me	B
	Infiltrating, invading my heart and in my brain
B	E
Took a second to wake up and get my courage up	Every one or two seconds I think I'll go insane
E	B F#
Kinda crazy confused but I was sure enough	Check my pulse... I can barely breathe
B F#	
You are the girl... of my dreams	B
	Feel like an insomniac with all the sleep I lost,
E F#	E
Pre-Chorus: We've got nothing to lose just me and you	And my Temperature's rising I just can't shake it off,
B	B F#
What are we waiting for?	But I know...It's just chemistry
Come on let's go!	(Pre-chorus)
	(Chorus)
B	
Chorus: We got, we got everything we need	(slows down now)
E	
We are, we are ready to believe	B
F#	Promised I will give you everything
Cause the time is right	B
E	Show you something that you've never seen
Sparks are gonna fly	E F#
B	Tonight I'll be by your side
We got, we got got it figured out	
E	(speeds up again)
We are, we are we're gonna run this town	(chorus)(first section is acapella)
