

Such a Night, performed by Elvis Presley	Oh, what a night oo-oo what a night
	It really was such a night
key: E	Came the dawn and my heart and her love
	And the night was gone
E	But I'll never forget the kiss
It was a night oo-oo what a night	The kiss in the moonlight
B7	Oo-oo such a kiss, such a night
It really was such a night	
B7	It was a night oo-oo what a night
The moon was bright oh how so bright	It really was such a night
E	Came the dawn and my heart and her love
It really was such a night	And the night was gone
E B7	But I'll never forget the kiss
The night was alight with stars above	The kiss in the moonlight
B7	How well I remember, I'll always remember
Oo-oo when she kissed me	
E	That night oo-oo what a night
I had to fall in love	It really was such a night
	When we kissed I had to fall in love
Oh it was a kiss oo-oo what a kiss	But I'd gave my heart to her in sweet surrender
It really was such a kiss	How well I remember, I'll always remember
Oh how she could kiss oh what a kiss	
It really was such a kiss	Oh that night oo-oo what a night
Just the thought of her lips	It really was such a night
Sets me afire	When we kissed I had to fall in love
I reminisce and I'm filled with desire	Well she's gone, gone, gone
E B7	Yes she's gone, gone, gone
But I'd gave my heart to her in sweet surrender	Came the dawn, dawn, dawn
E (Tacet)	And my love was gone
How well I remember, I'll always remember	But before that dawn
	Yes before that dawn and before that dawn
	Oo-oo, oo-oo, oo-oo, oo-oo, oo-oo
	Such a night
