

<u>TAKE ME AWAY- Avril Lavigne</u>	Em D A A
	I feel like I am all alone
Em D A A	Em D A A
I cannot find a way to describe it	All by myself I need to get around this
Em D A A	Em D A A
It's there inside; all I do is hide	My words are cold, I don't want them to hurt you
Em D A A	Em D A C
I wish that it would just go away	If I show you, I don't think you'd understand
Em D A C	C C
What would you do, you do, if you knew	Cause no one understands
C C	
What would you do	Refrain
Em C	I'm going nowhere (on and on and)
All the pain I thought I knew	I'm getting nowhere (on and on and on)
D D	Take me away
All the thoughts lead back to you	I'm going nowhere (on and off and off and on)
Em C	(and off and on)
Back to what was never said	
D D	Refrain
Back and forth inside my head	
Em C D D	Take me away
I can't handle this confusion	Take me away
Em C D D	Break me away
I'm unable; come and take me away	Take me away
