

That Smell, performed by Lynyrd Skynyrd

F Am

Whiskey bottles, and brand new cars

F Am

Oak tree you're in my way

F Am

There's too much coke and too much smoke

F Am

Look what's going on inside you

F G Am

Ooooh that smell

F G Am

Can't you smell that smell

F G Am

Ooooh that smell

F G Am

The smell of death surrounds you

F Am

Angel of darkness is upon you

F Am

Stuck a needle in your arm

F Am

So take another toke, have a blow for your nose

F Am

One more drink fool, will drown you

Refrão

Now they call you Prince Charming

Can't speak a word when you're full of 'ludes

Say you'll be all right come tomorrow

But tomorrow might not be here for you

Refrão

Hey, you're a fool you

Stick them needles in your arm

I know I been there before

One little problem that confronts you

Got a monkey on your back

Just one more fix, Lord might do the trick

One hell of a price for you to get your kicks
