

The Passenger, performed by Iggy Pop

{c:Intro: **Am F C G**

Am F C E (and repeat and repeat...)

(Am) I am the **(F)** passen **(C)** ger **(G)** **(Am)** and I **(F)** ride and I **(C)** ride **(E)**,

I ride through the city's backsides

I see the stars come out of the sky,

yeah the bright and hollow sky

you know it looks so good tonight

I am the passenger, I stay under glass,

I look through my window so bright

I see the stars come out tonight

I see the bright and hollow sky

over the city's ripped backside

and everything looks good tonight.

{c:Chorus}

Singing la la la la la la la... (3x)

La la

Get into the car, we'll be the passenger,

we'll ride through the city tonight,

we'll see the city's ripped backsides,

we'll see the bright and hollow sky

we'll see the stars that shine

so bright stars made for us tonight

O the passenger, how how he rides

O the passenger, he rides and he rides

He looks through his window, what does he see ?

He sees the sign and hollow sky

He sees the stars come out tonight

He sees the city's ripped backsides

He sees the winding ocean drive

and everything was made for you and me

all of it was made for you and me 'cause it

just belongs to you and me

so let's take a ride and see what's mine...

{c:Chorus}

O the passenger, he rides and he rides

he sees things from under glass

he looks through his window side

he sees the things he knows are his

he sees the bright and hollow sky

he sees the city sleep at night

he sees the stars are out tonight

and all of it is yours and mine

and all of it is yours and mine

so let's ride and ride and ride and ride...

{c:Chorus}
