

<b>These Dreams, performed by Heart</b>	
<b>key: Em</b>	
<b>Capo 4</b>	
<b>Em Am Bm</b>	These dreams go on when I close my eyes
Spare a little candle Save some light for me	Every second of the night I live another life
Figures up ahead	These dreams that sleep when it's cold outside
Moving in the trees	Every moment I'm awake the further I'm away
<b>C</b>	
White skin in linen	<b>C</b>
<b>Em</b>	There's something out there
Perfume on my wrist	<b>G</b>
<b>C G Am C D G</b>	I can't resist
And the full moon that hangs over these dreams in the mist	<b>D C</b>
	I need to hide away from the pain
<b>Em</b>	<b>C</b>
Darkness on the edge	There's something out there
Shadows where I stand	<b>C C/B C/A G</b>
I search for the time On a watch with no hands	I can't resist
I want to see you clearly	
Come closer than this <b>Em</b>	The sweetest song is silence
But all I remember are the dreams in the mist	That I've ever heard
	Funny how your feet In dreams never touch the earth
<b>C D C G C</b>	In a wood full of princes
These dreams go on when I close my eyes	Freedom is a kiss
<b>D C G C</b>	But the prince hides his face
Every second of the night I live another life	From dreams in the mist
These dreams that sleep when it's cold outside	
Every moment I'm awake the further I'm away	These dreams go on when I close my eyes
	Every second of the night I live another life
Is it cloak 'n dagger	These dreams that sleep when it's cold outside
Could it be spring or fall	Every moment I'm awake the further I'm away
I walk without a cut	
Through a stained glass wall	These dreams go on when I close my eyes
Weaker in my eyesight	Every second of the night I live another life
The candle in my grip	These dreams that sleep when it's cold outside
And words that have no form	Every moment I'm awake the further I'm away
Are falling from my lips
