

Time Stand Still, performed by Rush	B	E	Solo (C#m A C#m A E B C#m A E B A B)
	But I want to look around me now	If I could slow it all down	
Intro:(B E A)	A E	Like some captain,	A E
	Time stand still	B	Time stand still
C#m A	C#m	Whose ship runs aground --	C#m
I turn my back to the wind	See more of the people	A	See more of the people
A	B (B E A)	I can wait until the tide	B
To catch my breath,	And the places that surround me now	B	And the places that surround me now
E		Comes around	
Before I start off again	Time stand still	A E	Solo*
Driven on,	E C#m	Time stand still	
B	Freeze this moment	C#m	E C#m
Without a moment to spend	B	See more of the people	Summer's going fast --
To pass an evening	A little bit longer	B (B E A)	B
A B C#m	A F#m	And the places that surround me now	Nights growing colder
With a drink and a friend	Make each sensation		A F#m
A	E	Time stand still	Children growing up --
I let my skin get too thin	A little bit stronger	E C#m	E
I'd like to pause,		Freeze this moment	Old friends growing older
E	D A E (B E A)	B	E C#m
No matter what I pretend	Experience slips away...	A little bit longer	Freeze this moment
Like some pilgrim	C#m A	A F#m	B
B	I turn my face to the sun	Make each sensation	A little bit longer
Who learns to transcend	Close my eyes,	E	
Learns to live	E	A little bit stronger	A F#m
A B	Let my defences down --		Make each sensation
As if each step was the end	All those wounds	D A E (B E A)	E
(A E C#m B)	B	Experience slips away...	A little bit stronger
A E	That I can't get unwound	(B E A)	
Time stand still	C#m A	Time stand still	D A E (B E A)
C#m	I let my past go too fast		Experience slips away...
I'm not looking back	A	Time stand still	
	No time to pause --		D A (B E A)
			Experience slips away...
