

Trees, performed by Marty Casey

E G#

I, don't want to go through this life

C#m A

Without you, by myside.

E G#

And I, have got it all worked out

C#m A

In my head, that's how its got to be.

Chorus

E

And it'll be you, and me,

G# C#m A

Up in the trees, and the forest will give us the answer

E

It'll be you, and I

G# C#m

Up in the sky, it's a combination for disaster

E G#

It's like we, we make believe

C#m A

In a world we rule together

E G#

And we, can build our dreams

C#m A

With the knot tied tight, to last forever

Chorus

F# A

Yeah, Yeah, Yeah, Yeah, Yeah...Yeah

E B

We got one shot, so let's use our imaginations

F#m A

Yeah, Yeah, Yeah, Yeah, Yeah...Yeah

Your all that I got, so where do we go from here

INSTRUMENTAL

I know, there's more for us in this life
