

TWO PINA COLADAS- Garth Brooks

Capo I

Intro : E

E

I was feelin' the blues I was watching the news

B

When this fella came on the TV

He said I'm telling you that science has proven

E

That heartaches are healed by the sea

A

That got me going' without even knowin'

E

A

I packed right and drove down now I'm on a roll

E

And I swear to my soul

B

E

B

Tonight I'm gonna paint this town

E

So bring me two pina coladas

B

One for each hand

Let's sail with Captain Morgan

E

And never leaves dry land

A

Any Troubles I forgotten

E

A

I buried them by the sand

E

So bring me two pina coladas

B

E

She said good-by to her good timin' man

Oh now I've gotta say that the wind and the waves

And the moon winkin' down at me

Eases my mind by leaving behind

that heartaches that love often brings

Now I've got a smile that goes on for miles

with no inclination to roam

I've gotta say that I thank God I stayed

Cause this feeling more and more like home

B

E

Bring, bring ,bring me two pina coladas .....
