

**Violet by Hole**

E---- C----- G And the sky was made of amethyst

E---- C----- G And all the stars look just like little fish

E---- C----- G You should learn when to go

E---- C----- G You should learn how to say no

Em---- F---- G Might last a day yeah

Em---- F---- G Mine is forever

Em---- F---- G Might last a day, yeah

Em---- F---- G Well mine is forever

-----E-----C-----D-----A

When they get what they want they never want it again

-----E-----C-----D-----A

When they get what they want they never want it again

E-----C-----D-----A

Go on, take everything, take everything I want you to

E-----C-----D-----A

Go on, take everything take everything I want you to

And the sky was all violet I want it again,

But more violet, more violet

Hey, I'm the one with no soul

One above and one (two) below

Go on, take everything take everything I want you to

Go on, take everything take everything I want you to

--E-----C-----D-----A

I told you from the start just how this would end

-----E-----C-----D-----A

When I get what I want I never want it again

Go on, take everything take everything I want you to

Go on, take everything, take everything I want you to

Go on, take everything, take everything I want you to

Go on, take everything, take everything I want you to

Go on take everything take everything take everything take everything
