Whatsername - Green Day

Notes: Guitar is "Drop D" tuned. Sounds a bit like two songs put together:
"One Headlight" by the Wallflowers, with the chorus of "Surrender" by Cheap Trick
as a bridge. But, whatever. I smoke a lot of crack.

Intro:

Verse 1:

D B
Then it turned out to only be a dream

Chorus:

G D(2) F# B A
She went away and then I took a different path
