	Le do le le le le, Le do le le le le
<b>Capo II</b>	G A
	At you feet, I'm at your feet
Bm G A	Bm G D A
Lucky you were born that far away so, we could both make fun of distance	Whenever, wherever, we're meant to be together
Em G A	Bm G D A
Lucky that I love a foreign land for, the lucky fact of your existence	I'll be there and you'll be near, and that's the deal my dear
Bm G A	Bm G D A
Baby I would climb the Andes solely, to count the freckles on your body	Thereover, hereunder, you'll never have to wonder
Em G A	Bm G D A
Never could imagine there were only, ten million ways to love somebody	We can always play by ear, but that's the deal my dear
Em Bm	Em Bm
Le do le le le le, Le do le le le le	Le do le le le le, Le do le le le le
G A	G A
Can't you see, I'm at your feet	Think out loud, say it again
Bm G D A	Em
Whenever, wherever, we're meant to be together	Le do lo le lo le lo La
Bm G D A	Bm G
I'll be there and you'll be near, and that's the deal my dear	Tell me one more time, that you'll live
Bm G D A	A
Thereover, hereunder, you'll never have to wonder	Lost in my eyes.
Bm G D A	Bm G D A
We can always play by ear, but that's the deal my dear	Whenever, wherever, we're meant to be together
	Bm G D A
Bm G A	I'll be there and you'll be near, and that's the deal my dear
Lucky that my lips not only mumble, they spill kisses like a fountain	Bm G D A
Em G A	Thereover, hereunder, you'll never have to wonder
Lucky that my breasts are small and humble, so you don't confuse them with mountains	Bm G D A
Bm G A	We can always play by ear, but that's the deal my dear
Lucky I have strong legs like my mother, to run for cover when I need it	Bm G D A
Em G A	Thereover, hereunder, you've got me head over heels
And these two eyes that for no other, the day you leave will cry a river	Bm G D A Bm
	There's nothing left to fear, if you really feel the way I feel
