

Where Are You Now, performed by Nazareth

(A G D A)

Every single day

I think of the times

When you were still mine

And I?m blue

Got to get away

Get you out of my mind

I?m caught up in time

And I?m blue

(F#m B F#m E)

I don?t miss all the fun that we had

You were always around me

REFRÃO

(F#m D E)

Where are you now

I need you now

If you were around

(A F#m)

It would be alright

(A G D A)

Living on my own

I know I?m to blame

I?m locked in my chains

And you?re free

Fallen like a stone

I?m down on the ground

I?m tied up and bound

And you?re free

(F#m B F#m E)

I don?t miss all the fun that we had

You were always around me
