<b>E D E G E</b>	What are you tryin' to do to my head
Whatcha' tryin' to do to my soul	
<b>E D E G E</b>	<b>F# A</b>
Well everything I had was yours	You better run you better hide
<b>E D E G E</b>	<b>F# A B</b>
And now I'm closin' all the doors	You better leave from my sight
<b>E D E G E</b>	<b>F# A</b>
Whatcha' tryin' to do to my soul	You better run you better hide
	<b>F# A B</b>
<b>F# A</b>	You better leave from my sight
You better run you better hide
