	Yeah you shook me all night long	(Solo)
Riff 2 (3x)		
She was a fast machine	Riff 2 (3x)	Riff 4 (várias vezes)
She kept her motor clean	Working double time	You reall took me and you
She was the best damn woman I had ever seen	On the seduction line	Shook me all night long
She had the sightless eyes	She was one of a kind, she's just mine all mine	Ooooh you
Telling me no lies	She wanted no applause	Shook me all night long
Knockin' me out with those American thighs	Just another course	Yeah, yeah, you
Taking more than her share	Made a meal out of me and came back for more	Shook me all night long
Had me fighting for air	Had to cool me down	Your really took me and you
She told me to come but I was already there	To take another round	Yeah you shook me, yeah you shook me
	Now I'm back in the ring to take another swing	All night long
